*Richard Gage, Richard Gage, P.C., Cheyenne, WY, for petitioner.
Jennifer Shah, U.S. Department of Justice, Washington, DC, for respondent.*

DECISION ON ATTORNEYS' FEES AND COSTS¹

On December 8, 2017, Joann Forrest filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10, *et seq.*² (the "Vaccine Act"). She alleged that she suffered a shoulder injury resulting from her December 16, 2014 influenza ("flu") vaccination.³ On June 21, 2023, the undersigned issued a decision awarding compensation to petitioner based on respondent's proffer. (ECF No. 96.)

¹ Because this document contains a reasoned explanation for the action taken in this case, it must be made publicly accessible and will be posted on the United States Court of Federal Claims' website, and/or at <https://www.govinfo.gov/app/collection/uscourts/national/cofc>, in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2018) (Federal Management and Promotion of Electronic Government Services). **This means the document will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), Petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

³ Ms. Forrest passed away while the case was pending and her legal representative was substituted as petitioner.

On July 26, 2023, petitioner filed a motion for attorneys' fees and costs. (ECF No. 99.) Petitioner requests attorneys' fees in the amount of \$37,176.60 and attorneys' costs in the amount of \$12,801.99. (*Id.* at 7.) Petitioner has not identified any personally incurred expenses. Thus, the total amount requested is \$49,978.59.

On August 8, 2023, respondent filed a response to petitioner's motion. (ECF No. 100.) Respondent argues that “[n]either the Vaccine Act nor Vaccine Rule 13 requires respondent to file a response to a request by a petitioner for an award of attorneys' fees and costs.” *Id.* at 1. Respondent adds, however, that he “is satisfied the statutory requirements for an award of attorneys' fees and costs are met in this case.” *Id.* at 2. Respondent “respectfully requests that the Court exercise its discretion and determine a reasonable award for attorneys' fees and costs.” *Id.* at 3.

Petitioner has filed no reply.

The undersigned has reviewed the billing records submitted with petitioner's request. In the undersigned's experience, the request appears reasonable, and the undersigned finds no cause to reduce the requested hours or rates.

The Vaccine Act permits an award of reasonable attorneys' fees and costs. § 15(e). Based on the reasonableness of petitioner's request, the undersigned **GRANTS** petitioner's motion for attorneys' fees and costs.

Accordingly, the undersigned awards the total of \$49,978.59⁴ as a lump sum in the form of a check jointly payable to petitioner and petitioner's counsel Richard Gage, Esq.

The clerk of the court shall enter judgment in accordance herewith.⁵

IT IS SO ORDERED.

⁴ This amount is intended to cover all legal expenses incurred in this matter. This award encompasses all charges by the attorney against a client, “advanced costs” as well as fees for legal services rendered. Sec'y of Health & Human Servs.*, 924 F.2d 1029 (Fed. Cir.1991).

⁵ Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by the parties' joint filing of notice renouncing the right to seek review.
